TSCNET Services, Management Brief Profile Uwe Zimmermann

Uwe Zimmermann TSCNET Services GmbH, Managing Director

Since October 2017, Uwe Zimmermann has been taken the function of the Managing Director of TSCNET Services GmbH, in charge of service development and service operations.

Before this he worked for more than 15 years in system operations at two shareholder TSOs of TSCNET, predominantly in management positions, and has been strongly involved in the foundation of TSCNET and the bodies of the TSO Security Cooperation (TSC) as well as other regional TSO coordination initiatives.

Uwe Zimmermann studied power system engineering at University of Darmstadt, Germany.

Munich, June 2018
